

The Voice of Leasing and Automotive Rental in Europe

FOR IMMEDIATE RELEASE

PRESS RELEASE

FLA re-joins Leaseurope

Brussels, 01 July 2024 - Leaseurope, the European Federation representing the leasing and automotive rental industries, is delighted to announce that as of today, the UK based Finance and Leasing Association (FLA) has decided to re-join the federation. The FLA's Director General, Stephen Haddrill, commented that *"we see significant value in closer collaboration with the European industry on issues, including Net Zero and technological developments, which go beyond the purview of EU regulators. The UK can learn lessons from other European markets and the reverse is true."*

Working together on a shared agenda, Leaseurope's Director General Richard Knubben noted that he looks forward to learning from the FLA's experience in the UK, where legislators are closely following developments in the EU, and vice versa.

About Leaseurope

As a Federation, Leaseurope brings together 42 associations throughout Europe representing either the leasing, long term and/or automotive short term rental industries. The scope of products covered by Leaseurope's members ranges from hire purchase and finance leases to operating leases of all asset types (automotive, equipment and real estate) and also includes the rental of cars, vans and trucks. It is estimated that Leaseurope represents over 90% of the European leasing market. Find out more at www.leaseurope.org.
